Deliberative Process / Ex. 5

Lastly, throughout the number of months that we have been involved in this project, there has been very little that has changed in terms of the scope of the project, its potential environmental impact or mitigation proposed.

Deliberative Process / Ex. 5

Subject: Re: R9 weekly report

If referral, we need a draft letter by COB tomorrow to start staffing/vetting here.

HOT ISSUES

Unrelated/Unresponsive

2. **ROSEMONT (AZ) COPPER MINE: (FYI) next Tuesday, April 18 in Phoenix, EPA will join the US Forest Service and the Corps of Engineers to discuss water quality and other issues related to the proposed Rosemont copper mine, which we have reviewed under NEPA and CWA. The Forest Service will issue its Record of Decision in May, the Corps its CWA 404 decision some time thereafter. CEQ has been coordinating the multi-agency engagement. I attach a one-page briefing paper and will update Ken W, OW and OECA when EPA decision time nears.**
